

## *Elites L*

GFRP L-shaped preformed connector (such as **Elites L**) formulated with a special resin, designed to provide structural reinforcement for walls, arches and vaults, and characterised by improved adhesion. Suitable for seismic upgrading and adjustment of structures located in areas at risk. Minimum required characteristics: Resistant area 11,5 mm<sup>2</sup>; Mean tensile strength 18.900 N; Elastic modulus 80.400 MPa; Glass-liquid transition temperature > 100 °C.
